Denton LULAC Council #4366
BIGGER, BETTER AND NEW
2022 SCHOLARSHIP FUNDRAISING Drive
Together We Can Keep Our Country Strong!
Est. 1981

Dear Donor,

It is hard to believe that the Denton LULAC Council has started its 41st year this month of serving our city and schools. The Council has played and continues to play a critical role in providing leadership that promotes and enriches the cultural diversity of our community. The next 40 years the local LULAC Council along with more than 1000 U.S. LULAC affiliates will have an even greater impact on the overall nation's prosperity as Hispanic population groups continue to grow in their number. That is why it is so important for us as an enlightened and forward-looking community to support the *Bigger, Better, and New Denton LULAC Council 2022 Scholarship Fundraising Campaign*.

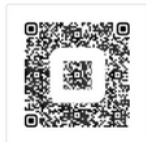

A 40th Anniversary financial gift would help make our 41st year even better. Please help us this year to meet our 2022 LULAC SCHOLARSHIP FUNDRAISING GOAL OF \$20,000.

These are a few highlights why you should seriously consider giving this year.

1.) THE NATIONAL LULAC SCHOLARSHIP SUPPLEMENT: Thanks to the LULAC national office in Washington, DC, funds raised locally are supplemented from financial contributions by major U.S. corporations, such as Exxon and the Ford Motor Company. These corporations recognize the significant impact of a well-educated and culturally diverse workforce in ensuring the nation's economic prosperity.

2.) FUNDRAISING DEADLINE: In order for the Denton LULAC Council to qualify for the supplementary funds from the national LULAC office we must complete our fundraising campaign by February 21st, 2022. We encourage you to help us meet this crucial deadline.

3.) GIFTING PROCESS: We have made it easier for you to donate. Details of the giving levels are outlined on the enclosed donation gift form. Or, you can make your contribution online by scanning the QR code below or visiting the website. Please note that for all online donations there is a 3.5% convenience fee.

or visit: <https://square.link/u/8Uu2FQnY>

4.) LULAC SCHOLARS' TESTIMONIALS: These are testimonial statements by two of our outstanding DISD high school students reflecting how the LULAC financial support is making a difference.

"Paying for school is a big challenge and stressor. We all want to be successful, and you - LULAC Donors - are helping us find that success!"

Lizbeth Tabares, Texas A&M University, Biomedical Engineering Major, Denton HS

"Transitioning to college in this era of uncertainty brought on by the pandemic is unlike anything I have ever experienced. LULAC, and its donors, have been there for me and my family. I will always be grateful for your support."

Mark Rodríguez, University of Texas at Austin, Engineering Major, Ryan HS

**** Please visit our website for additional inspirational testimonials and videos of gratitude from past recipients.*

Thank you, Denton friends, for your involvement in our LULAC Council's 2022 Scholarship Fundraising Program. We will be inviting each donor this year to our awards' banquet planned for the spring to join in our celebration of outstanding achievements of the 2022 Class of DISD LULAC Scholars. This will present an opportunity for our community to meet individual recipients of this year's scholarships.

Best Wishes for a Happier and Healthier New Year!!

Dr. Rudy Rodríguez

Scholarship Fundraising Committee Chair
